Meeting Minutes

Thursday, February 13, 2020

Lunch provided by RN Staff.

- a. Establish Quorum 8/10 chapters present
- b. Welcome given to new members, one new certification, celebrations.
- c. No conflict of interest
- d. Prior meeting minutes approved

2. State President Report (**Melanie Russell**)

Indiana State 40th anniversary celebration and the Nationals ENA 50th celebration. Great plans coming. Early registration to attend National Conference has changed. Full payment must be made by the end of this month or will have to reregister and lose room accommodations.

3. Treasurer's Report (**Cassie Latta**)

Business checking \$48,771.77

Savings \$5,395.56 Investment Account \$82,589.52

Currently \$10,500 of this money is from/for forensics.

Passing the hat \$ 52.00

The 2019 final budget is presented as well as the 2020 agreed upon budget. We were prepared for a \$16K plus loss for 2019 and ended the year in the black \$14,492. This was in large part due to the increased revenue from TNCC/ENPC assessments (we budgeted \$27,500 revenue and ended with \$49,900 revenue). On the expenses side we didn't spend what we budgeted for SCLO state & chapter leaders to attend and our Annual Conference expenses were also less than budgeted. We also spent about \$5,000 less than budgeted on education (fewer scholarship payouts).

For 2020 we increased our budgeted amount of revenue for TNCC/ENPC assessments as well as instructor courses. We dropped our budgeted revenue from membership assessments slightly to stay in line with year over year trends.

For 2020 we increased our budgeted expenses for SCLO for both the state & chapter officers. SCLO has already occurred and we had 9 chapter leaders attend! That's fantastic!

We slightly increased our budgeted expenses for our symposium in hopes of being able to pay a couple speakers and celebrate the 50th anniversary.

In 2019 & 2020 we incurred some legal expenses as we had an attorney review our bylaws as was recommended by national.

For 2020 we are on track to suffer a loss of just greater than \$3,000 which is well within our normal limits.

4. Unfinished Business:
none

5. New Business:

- a. ESI was purchased by ENA and the ENA are working to update the algorithm. This has the potential to become worldwide. There will be more information to come regarding this process.
- b. Illuminating 2020 will a seminar about Human Trafficking and scheduled for April 17th, 2020, at Carmel, IN. Would the ENA be interested in hosting a table for 10?
- c. Chapter and State leaders must be aware of phishing emails. If a members need to talk to a board member, go to Indiana ENA.org, put in your information, and select whom the email needs to go to and it will be forwarded per cognito email. This should help decrease phishing emails requesting funds.
- d. New email (Send Grid) may be used instead of Mail Chimp. This will be trialed from the State level and will discuss in the future. This should be easier to use and will be able to send out multiple emails at one time.
- e. Lantern Award. Is anyone participating?

All Chapter and Committee Reports may be received via internet communication.

6. Chapter or SIG Reports

1. Chapter 131 Big Red Road Runners (**Brandy Summers**)

We are hosting a stop the bleed training February 13th.

We are planning a Day in the Life and NCLEX review for April.

2. Chapter 133 SNAP (**Joyce**)

Wednesday, February 5, 2020 Strategic Meeting

Attendees: Julie Rieker, President Elect

Joyce Durnill, President

Old Business: Julie attended SCLO and brought back ideas for increasing meeting attendance and getting members involved.

Discussion on using Zoom at the March meeting.

Setting up a new SNAP Facebook page.

New Business: Ideas for speakers for May and October chapter meetings.

Working on doing a Wine and Canvas or Chocolate fundraiser. Joyce will talk with Darnell Dukes regarding Wine and Canvas event.

Ideas regarding basket for State Symposium auction. Contact Penny Culp regarding Hoosier Nurse logo.

Updated 2020 meeting dates to allow for the national meeting and attendance. What it takes to be a delegate.

Next meeting scheduled for March 4th, 6:30 PM at SMC in classroom 5.

3. Chapter 134 Indy Road Runners (**Mary Jane Smallwood**)
ENPC and TNCC courses being offered with information on line. Please sign up to attend.
Looking forward to celebration the 40th and 50th anniversaries with ENA.
4. Chapter 137 River City Roadrunners (**Steven Galbreath**)
5. Chapter 246 Northwest Indiana (**Samantha**)
6. Chapter 365 Northeast Indiana (???)
Nothing to report
7. Chapter 401 Wabash Valley Roadrunners (**Merry Addison**)

We have our leadership team in place... we have goals.... we have our first meeting of the year set for 1830 THIS coming Thursday, February 16th at the Terre Haute Winery..... and we will..... we will..... ROCK this trauma system baby!!!
8. Chapter 448 East Central Indiana (**Alex Hill**)

The East Central Region currently has 72 members and hoping to increase that number over the next year. We are going to have our meetings on the even months on the third Wednesday. We already have some great sponsors for this year, which include Stryker and IU Health Life Line. We are also going to be give away a couple of education and national conference scholarships.

9. Chapter 474 Southwest Trailblazers (**Vicki Potts**)

Gina Carbino will be bringing the TCRN review to GSH on March 27, 2020. Currently we have 30 signed up. Amanda Siewers received a call from Matt Howard regarding the State's ability to purchase "blocks" for TCRN testing following a review. This is a big savings and anyone interested in taking the test following the review should notify Amanda.

January EMS Commission Meeting
Approved changes in Scope of Practice
File of changes uploaded with this report to state ENA website
<http://www.in.gov/dhs/files/Indiana-EMS-Scope-of-Practice-2020-12.17.19.pdf>

Here are some of the more substantive changes that were approved at each level, EFFECTIVE MARCH 1, 2020.

EMR-Emergency Medical Responder

- NP Airways: The EMR level will now include nasopharyngeal (NP) airways. The utilization of NP airways has been in textbooks and taught for several years, but it was technically not part of the EMR SOP.

- Pulse Oximetry: The EMR level will now include pulse oximetry monitoring. There will be an Acadis course developed and available for all EMRs as an educational offering. In order to authorize performance of this skill/procedure, the provider organization and medical director must approve in written protocol and then provide skills training and credentialing.
- Oral glucose: The EMR level will now include oral glucose administration. In order to authorize performance of this skill/procedure, the provider organization and medical director must approve in written protocol and then provide skills training and credentialing.

EMT-Emergency Medical Technician

- CPAP: The EMT and AEMT levels will now include CPAP ventilatory assistance. There will be an Acadis course developed and available for all EMTs and AEMTs as an educational offering. In order to authorize performance of this skill/procedure, the provider organization and medical director must approve in written protocol and then provide skills training and credentialing.
- End tidal CO₂ / Waveform Capnography: The EMT and AEMT levels will now include end tidal CO₂ monitoring and interpretation. There will be an Acadis course developed and available for all EMTs and AEMTs as an educational offering. In order to authorize performance of this skill/procedure, the provider organization and medical director must approve in written protocol and then provide skills training and credentialing.
- Nebulized bronchodilators: The EMT level will now include nebulized bronchodilators, beta agonists and anticholinergics (albuterol, atrovent). There will be an Acadis course developed and available for all EMTs as an educational offering. In order to authorize performance of this skill/procedure, the provider organization and medical director must approve in written protocol and then provide skills training and credentialing.
- OTC Pain Medication: The EMT and AEMT levels will now include OTC pain management. In order to authorize performance of this skill/procedure, the provider organization and medical director must approve in written protocol and then provide skills training and credentialing.

AEMT-Advanced EMT

- CPAP: The EMT and AEMT levels will now include CPAP ventilatory assistance. There will be an Acadis course developed and available for all EMTs and AEMTs as an educational offering. In order to authorize performance of this skill/procedure, the provider organization and medical director must approve in written protocol and then provide skills training and credentialing.
- End tidal CO₂ / Waveform Capnography: The EMT and AEMT levels will now include end tidal CO₂ monitoring and interpretation. There will be an Acadis course developed and available for all EMTs and AEMTs as an educational offering. In order to authorize performance of this skill/procedure, the provider organization and medical director must approve in written

protocol and then provide skills training and credentialing.

- OTC Pain Medication: The EMT and AEMT levels will now include OTC pain management. However, in order to authorize performance of this skill/procedure, the provider organization and medical director must approve in written protocol and then provide skills training and credentialing.
- Medications: The AEMT medication levels were increased to include additional IV medications. The national scope of practice includes analgesia, anti-nausea/antiemetic, dextrose, epinephrine, glucagon and naloxone. The specific medications/medication classifications allowed in Indiana will be determined at the January 2020 EMS Commission meeting. In order to authorize performance of this skill/procedure, the provider organization and medical director must approve in written protocol and then provide skills training and credentialing.
- Parenteral Pain Management: The AEMT medication level will now include parenteral pain management. The specific medications/medication classifications will be determined at the January 2020 EMS Commission meeting. (Parenteral Pain Rx Denied)

Paramedic

- Although a few specific paramedic level skills were discussed, ultimately the EMS Commission reiterated that there is no cap on the paramedic skill, so long as the provider organization and medical director have an approved written protocol and then provide skills training and credentialing.

3. Awards (**India Owens**)

I am happy to let you know that the following state awards winners have had nominations submitted for national awards.

Tami Curtis
Jen Pifer
Scott Isenberg
Amanda Siewers
Angie Morris

4. Education (**Ryan Williams**)

The education committee is working hard on the education symposium. Sarah Abel has had to step down as the education chair and symposium planning committee

chairperson due to extended obligations with her full-time job. Reminder the symposium will be held June 12th at the Ivy Tech Culinary Center. We will start reviewing abstracts this week as well as setting the agenda for the symposium. If you know of any vendors, please send them Loretto's way. We will be planning a casual networking event the evening of the 11th, further details to come. Also remember, this is ENA's 50th celebration and Indiana ENA's 40th, so please invite/encourage people to attend!!

5. Forensics (**Angie Morris**)

Finished compiling a service directory of Medical Forensic Examination sites. Continue to work with ICJI to provide additional training to nurses for the sexual assault kit tracking system. Leading a workgroup to develop pediatric medical forensic guidelines and have been assigned to serve on the Indiana Statewide SART. Have been working with ISNA lobbyist and Senator Doriot on SB 146.

6. Fundraising (**Merry Addison**)

Please make your contributions to IndianaENA.org. This is very easy to donate!

Merry's sister writes grants and has been very successful. Would ENA sponsor the cost of \$250 to open up a list of grants that could be submitted to benefit the State? Her sister could be the consultant. This would need approval from the Board.

7. Govt Affairs (**Merry Addison/Marie Rarick**)

1) State and Chapter Leaders Orientation (SCLO)

a) ENA supported legislation

b) Personal stories

2) Day on the Hill (DOTH)

3) EN411

8. Injury Prevention (**Amy Schwartz**)

On Feb. 18, leading experts will come together for a webinar to discuss the current state of coronavirus and review how best to identify and isolate a symptomatic patient.

ENA, the American College of Emergency Physicians and Association of American Medical Colleges, in collaboration with the U.S. Centers for Disease Control and Prevention and the National Ebola Training and Education Center, invite you to join in for this valuable session.

Webinar Details:

9. Media Relations (**Matt Howard**)

Encourage everyone to share information on social media to help promote information and increase traffic. TNCC and ENPC views has increased in January to over 10,000 views. Please continue to share!

10. Membership (**Matt Howard**)

Currently Indiana ENA has 1074 members! This is a record.

11. Pediatrics (**Dawn Wright**)

-Indiana has had 54 students who have taken ENPC Provider Course from 12/01/19 to 2/12/20.

-Currently Indiana has 10 ENPC Provider Courses listed either on National or State website. Please notify state of your ENPC course in order for the course to place on state website.

-There will be an ENPC Instructor course offered in October of 2020. Currently the class will be held in Central Indiana.

Had a meeting at the beginning of the year. Attendance was down. Currently trying to create a Covid-19 basket for our surrounding ERs to show them support.

6. Chapter 365 Northeast Indiana (**Annette Chard**)

Met in the beginning of March. Cancelling April's meeting due to Covid-19. Had new attendance. Had TNCC/ENPC classes scheduled but now put on hold due to staff needed to be in staffing.

7. Chapter 401 Wabash Valley Roadrunners (**Merry Addison**)

Regional Hospital Trauma Program Manager Carrie Malone has left her position, and there is someone from HCA national office coming to be the interim Trauma Program

Manager for our Level 2 Verified Trauma Facility in case anyone wants to SHARE that info!!

Batten down the hatches folks...we are in for a real test of just who on earth can make a huge difference in helping!!! Oh, by golly....it is the front line folks all along the way!!! With support of the leaders at all levels, identified and official or volunteer and invisible.... The world has discovered what we have been saying since 1996..... "we are all in this together!!!"

8. Chapter 448 East Central Indiana (**Alex Hill**)

Nominations coming up for Dec. Please submit your nominations

4. Education (**Ryan Williams**)

Executive board meet last week regarding symposium. Cancelled the symposium.

Other options for education to be offered to our members. How to present information and provide CEU's. Deciding how to offer the presentations.

Ivy Tech and caterer cancelled without financial impact.

Would like to celebrate the survival of the "Covid-19" and celebrate the State and National ENA anniversary. Tentative date to be determine for Oct, 2020.

More details to come in the future.

5. Forensics (**Angie Morris**)

Last meeting was on March 31, 2020 and we had 24 participants. The new Sexual Assault Kit Tracking System, in conjunction with ICJI and Indiana State Police launched on April 1st.

Work continues with multidisciplinary collaboration to create a pediatric medical forensic examination guideline document to be published by Indiana ENA. We hope to

have a product for review sometime this summer.

Meeting minutes are all posted online.

6. Fundraising (**Merry Addison**)

Melissa Jeane Wible has successfully written a 1.3 MILLION dollar grant for roads in Vermillion County.

She is also the person behind the Christopher Reeve Paralysis Foundation grants in 2004, 2008, and 2013.

We are requesting consideration of a grant subscription membership for Melissa so that she can search for grants for ENA, and others in our membership might also send her leads to investigate.

The announcement came out officially TODAY, although she has been working on this specific grant for months.

Indiana ENA will give \$199.00 for access to all National Grants.

7. Govt Affairs (**Merry Addison**)

- 1) Day on the Hill 2020 cancelled
- 2) EN411 - stay engaged with legislators

THE NATIONAL PEDIATRIC READINESS ASSESSMENT (NPRP)

The NPRP Assessment, scheduled to launch in June 2020, has been postponed due to the rapidly evolving situation with COVID-19. iEMSC will provide more details on the timing of the NPRP assessment upon notification from National partners.

The NPRP checklist, based on the AAP/ACEP/ENA Joint Policy Statement, "Pediatric Readiness in the Emergency Department," which can be found online at:

<https://pediatrics.aappublications.org/content/pediatrics/142/5/e20182459.full.pdf>.

Use this tool to check if your hospital emergency department has the most critical components listed in this joint policy statement.

2020 EMSC EMS SURVEY IS NOW COMPLETE

iEMSC is pleased to share with you that Indiana exceeded the HRSA response rate

requirement and obtained an 89.2% response rate, 667 out of 748 Indiana registered EMS agencies completed the assessment. The objective of this assessment is to assess what methods and the frequency of skill-checking on pediatric equipment is being offered at EMS agencies, and how pediatric emergency care is coordinated at EMS agencies.

A sincere thank you to Indiana ENA! iEMSC partners were instrumental with messaging and distribution, and NEDARC-the national resource center who collects and analyzes the data for all EMSC programs.

PEDIATRIC HEROES AWARD NOMINATION FORMS AVAILABLE

iEMSC has, out of an abundance of caution, decided to postpone the 9th Annual Pediatric Heroes Awards Breakfast originally set for May 20th, 2020, on EMSC Day. iEMSC will be accepting nominations all year long for the amazing work that happens on behalf of children all over the State of Indiana. Do you know someone that goes above and beyond for children or has done something extraordinary for a child? If so, please nominate that pediatric hero! You can nominate by completing this nomination form and emailing to Margo Knefelkamp via email at margo.knefelkamp@indianapolisems.org
